CELCAA statement on the conclusion of the EU-Philippines FTA

CELCAA warmly welcomes the news that a substantial agreement has been reached in the FTA negotiations between the EU and Philippines.

Today's news is another milestone in the increasingly vital relationship between the EU and the ASEAN region as a whole.

We look forward to we look forward to the swift finalisation of the remaining technical work, to the publication of the agreed text, and to a smooth signature and ratification process and call for a conclusion of negotiations with fellow ASEAN partners, Thailand and Malaysia.
